Hydrangea macrophylla
Magical Edgy Green' Duo
SEE PAGE 20

HAYLOFT.CO.UK

Welcome to our first catalogue of 2025 – Whether you're a seasoned gardener or a first-time planter, we've curated a collection of plants to help you cultivate beauty and joy in your own garden.

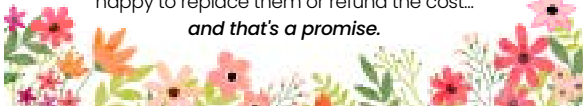

At the heart of our catalogue is a passion for gardening and a commitment to quality. Every item we offer has been carefully selected to ensure it will thrive in your garden, enhance your landscape, and bring you closer to nature. So, grab your gloves and get ready to dig in – a world of possibilities awaits!

The Hayloft Team xxx

Your plants are all selected by hand in our nursery, supplied with care notes and delivered in recyclable packaging by courier. If, for any reason, you are not happy with your plants, our friendly team will be happy to replace them or refund the cost...

and that's a promise.

HOW YOUR PLANTS ARE SUPPLIED

POTTED PLANTS

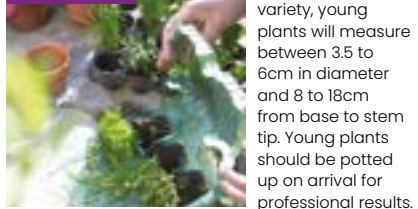

Ready to plant on arrival, the pot size is indicated in each plant's description throughout this catalogue.

BARE ROOTS

Supplied in various shapes and sizes, bare roots should be soaked in water for 1 hour before planting.

YOUNG PLANTS

Depending on variety, young plants will measure between 3.5 to 6cm in diameter and 8 to 18cm from base to stem tip. Young plants should be potted up on arrival for professional results.
