Five months of irrepressibly energetic flowers

Lathyrus odoratus 'Old Fashioned Mix'

(Sweet Pea)

Heavenly hues and plentiful perfume

Traditional variety, renowned for exceptional fragrance and strong, long-stemmed flowers from June to October. Originally brought to the UK in 1699 from Sicily, sweet peas are a national favourite for their bright colours, abundant blooms and ability to look sensational in a vase. Cultivated as multiple seeds in one, deep plug – offering a wide variety of colours (min. 4 seeds per plug).

Prefer moist, well-drained soil in full sun or partial shade. Hardy, climbing annuals. H: 1.8m S: 50cm. Delivered from April as young plants.
